Cost To Reach 1000 People

 ~~\$~~32.00 *Newspaper*

 ~~\$~~20.00 *Magazine*

 ~~\$~~8.00 *Radio*

 ~~\$~~7.00 *Cable TV*

 ~~\$~~2.75 *Google AdWords*

 ~~\$~~0.75 *LinkedIn Ads*

 ~~\$~~0.25 *Facebook Ads*

“You know what Digital Marketing without research, strategy, and a marketing funnel is like? It’s like taking a girl on a bad date and think that she should appreciate you for the attempt.”

Urban Dive is a business accelerator and **digital marketing agency** that specializes helping businesses increase revenue, brand awareness, and customer loyalty. We do this by helping them build the most important thing in marketing, the Marketing Funnel.

Our aim is to help **create** exposure and enhance **customer experience** for your business through taking your business into and **beyond digital**. We will create greater brand recognition to those in the target area and exponentially generate more sales over time as we grow your online presence.

BRAND AWARENESS

How many people on the street knows about your business? We help clients **build brand awareness** towards their target audience. We will help your business not just look amazing, but be easily found on Google, Facebook, Instagram, Yelp, and, many other platforms.

REVENUE INCREASE

We help clients **double their revenue** via building and executing an optimized marketing funnel. Our primary objective is to help your business make more money through creating a high conversion funnel that turned cold leads to buyers.

CUSTOMER LOYALTY

To simply get one purchase out of a client isn't good enough. With the second half of the marketing funnel we help you create a strategy that will **increase repeat buyers** and **nurture customer loyalty**. Do you have a system in place to increase customer loyalty?
